

# Spring Cleaning

We gave you tips on how to transition into fall and winter, and it's now time to wash, pack and store away those winter goodies that make you feel warm and cozy and prepare for that fresh look of spring. Take a look at our tips below!

Pack away fur throws & pillows, velvet pillows.

Replace with lighter-weight throws & Linen pillows.

Refresh décor- keep things simpler, have a bowl of lemons and another of oranges or grapefruit. Citrus gives us a fresh and clean vibe.

Declutter- get busy with Spring cleaning! Get the proper storage containers and get your trunk ready for donations. Make sure to block off time.

Follow Rachel Organizes for the best tips and inspiration. Clean out your kitchen cabinets, junk drawers, under the bed and all your closets. It's time to ask yourself... Do I really need this?
