RESIDENTIAL CONSTRUCTION

AN INTERIOR DESIGNER'S ROADMAP
TO BUILDING YOUR DREAM HOME

guide

section two BEFORE THE BUILD BEGINS

The excitement of watching the contractors show up to start tearing down your kitchen is a thrilling experience! It might not compare to the joy of having that first meal in your new kitchen, but trust the team at GreyHunt Interiors when they say: the in-between time is full of things to see, experience, learn, and think about.

Before the first hammer swings, let's break down what comes before – and get ready, because there's a lot!
